

## Shooter's Handgun Safety Class [handgun carry permit]

### DETAILS

- Class Fee: \$55/person; \$90/couple\*
- Class Length: 6-8 Hours
- Read our [range rules](#)

What To Expect: Come prepared to take notes; snacks and drinks are permitted. Shooter's reserves the right to reschedule a class that does not have a minimum number of students. **You will need to know how to shoot a pistol BEFORE taking this class. The class focuses more on the law, rather than teaching you how to shoot.** Contact Shooter's if you need personal instruction or a refresher course before class. [\*gun rental, if needed, is additional.]

### LOCATION

- Shooter's Guns and Ammo is at 575 Murfreesboro Pike, Nashville, TN 37210
- Free parking is available but limited | [Directions](#)

### DAY OF CLASS

- This is a 6-8 hour class which starts promptly at 8am and will end around 4pm. There is a 45-minute lunch break, but lunch is not provided. Coffee is available.
- There is time to get your ammo and rental gun before class starts. (if requested).
- All phones must be turned off.
- BRING your application number - **important!**
- BRING your **unloaded** handgun and 50-rounds of ammunition (unless you are renting)
- BRING your hearing and eye protection; if not, we have loaners.
- BRING pen and paper for note taking.

### CURRICULUM

You spend time both in the classroom and in our indoor range to understand basic pistol nomenclature, safety, ownership responsibilities, shooting fundamentals, as well as pistol parts and recommended cleaning. Additionally, you will learn applicable laws in the state of Tennessee that pertain to the use of deadly force, and when the use of deadly force is justifiable when protecting yourself and the defense of others. This course qualifies the graduating student to apply for their Tennessee handgun carry permit.

- You must pass the 50-question written test to qualify to take the handgun firing test.
- You will receive your grades on both tests before leaving.
